VAL DI FASSA PANORAMA PASS

EN

GENERAL SALES CONDITIONS **SUMMER 2018**

1. The present General Sales Conditions represent the contractual conditions regulating the purchase and the use of the Panoramapass card. This card entitles cardholders to use the lift system facilities of the companies that are members of the Panoramapass initiative. The list of all participating lift system facilities, including opening and closing hours, is available on the Panoramapass map, and published on the valdifassalift.it and fassa.com websites. The Panoramapass card will be accepted on the lift facilities from from 02/06/2018 to 07/10/2018. Not all lift system facilities will be open throughout the entire indicated period.

2. The card is strictly personal and carries the cardholder's name and surname. The card is valid on three out of six days (also non-consecutive) , six out of six days (consecutive) or seven out of thirteen days (also non-consecutive), depending on the category of card purchased. Cards are marked with the letters M, F, J or B indicating as follows: adult male, adult female, junior (born after 01.06.2002) and child (born after 01.06.2010). Personal data will not be saved in any form, neither on paper nor electronically, and therefore no personal data processing will take place.

3. Any improper use of the Panoramapass ticket will lead to its immediate withdrawal, cancellation or suspension. The Panoramapass card may not be transferred to third parties, exchanged or altered in any way. A card that has been only partially used, lost, withdrawn or deliberately damaged will not be replaced or reimbursed. Refunds will not be granted for any reason. The card for children (born after 01/06/2010) is free and is granted alongside the simultaneous purchase by an accompanying adult for a card of equal duration, on the ratio of 1 child's ticket for 1 accompanying adult. In order to obtain the discount offered for Juniors (J) and Children (B), the accompanying adult must be physically present and valid identification documents, which may not be substituted by self-certification, must be shown.

4. The cableway consortium Consorzio Impianti a Fune Val di Fassa e Carezza, as the issuer of the aforementioned transport ticket, acts under the authority of a specific agency agreement assigned to them by autonomous companies operating the lift system facilities (the principal contractors), who are exclusively responsible for the management and operation of the respective lift system facilities and their connected transportation services. These operators and the cardholders themselves are therefore the sole and exclusive contracting parties to the Panoramapass agreement. The Consorzio Impianti a Fune Val di Fassa and Carezza, acting in the name and on behalf of companies participating in the initiative, are not to be considered part of such agreement and thus assume no form of liability.

5. The Panoramapass card is valid exclusively for the transportation of people. For the transport of bikes, pushchairs, suitcases, animals and other objects and accessories, the conditions defined by each lift operator for this transport will apply. The user must, therefore, enquire at the cash desk of the each lift for information and any supplementary charges which may apply. No bicycles can be transported on lifts bearing the symbol *.

6. The contract covers exclusively the transportation of persons from the lower station to the top station of each lift and/or vice versa. Any further activity (trekking, mountain biking, even within the "Bike Park" and similar facilities, etc.) is not covered by the provisions of the contract and is undertaken by each individual subject exclusively at their own risk. The paths and trails are not owned by the operators of the ski lifts, nor the local consortium, which is this not responsible in any way for their care, control or maintenance. Cardholders must observe and fully comply with the User Guidelines displayed at all lift facilities at all times.

7. The operator of the lift system used declines all responsibility for damages deriving from improper use of the systems, as well as for the consequences of unlawful behaviours committed by users while they are using the facilities. By using these facilities, the cardholder declares that he/she is aware of the civil liabilities (arts. 2047 and 2048 of the Italian Civil Code) related to the supervision of minors, also during their use of the lift system facilities, and agrees to comply with regulations issued by authorities at national, provincial or regional level related to the subject matter in question. The use of lift system and skiing facilities by a child will occur under the exclusive liability, control and supervision of the adult companion without liability on the part of the operator of each individual lift facility.

8. Upon the request of facility staff and inspectors, cardholders must show their Panoramapass and allow them to verify identity.

9. As a transportation document necessary to access the lift system facilities which are members of the Panoramapass initiative and for the transportation of the cardholder as outlined in art. 1, the Panoramapass serves the function of a tax receipt (Ministerial Decree of 30/06/92 and subsequent amendments and additions) and must be retained for the entire period in which the lift system facilities are utilised.

10. With the purchase and/or use of this card, the user acknowledges the content and declares full acceptance of the present General Conditions of Sale, available at points of sale and at the main participating lift facilities. Any dispute which may arise concerning the validity and execution of the transportation contract and these General Terms and Conditions shall be governed by Italian law and subject to the exclusive jurisdiction of the Court of Trento.
