IL TOUR CLASSICO SELLARONDA MTB
Il percorso offre una varietà di trails naturali e flow trail dedicati alle MTB. Attualmente la scelta migliore per i bikers amanti dell'azione. Minore il dislivello da pedalare in salita e tanto divertimento sugli oltre 4.000 m di discesa totale!

SELLARONDA MTB CLASSIC TOUR
The more downhill-oriented clockwise track with a bunch of different singletrails all around the tour. Currently the best choice for action driven bikers, with less pedaling and more fun on the over 4.000 m of total descent!

LA PERLA NASCOSTA
Una combinazione ottimale tra salita e discesa per chi ama pedalare oppure godersi il tour in e-bike. Non mancano singletrails per divertirsi in discesa!
THE HIDDEN PEARL
With a greater balance between uphill and downhill, this track is suited for all the touroriented bikers as well as e-bikers, who want to test themselves on the singletrail-sections!

Il Tour MTB Sellaronda richiede un livello sufficiente di preparazione fisica, buona agilità ed esperienza. Si consiglia l'accompagnamento di una guida MTB esperta.
