IL TOUR CLASSICO SELLARONDA MTB
Il percorso offre una varietà di **trails naturali** e **flow trail** dedicati alle MTB. Attualmente la scelta migliore per i bikers amanti dell'**azione**. Minore il dislivello da pedalare in salita e tanto divertimento sugli **oltre 4.000 m di discesa totale!**
SELLARONDA MTB CLASSIC TOUR
The more **downhill**-oriented clockwise track with a bunch of different **singletrails** all around the tour. Currently the best choice for **action** driven bikers, with less pedaling and more fun on the **over 4000 m of total descent!**
